Mr. Kirchner appeared about the container on his property. He had closed his shop in Hastings and rented the containers for his tools and equipment. He is hoping to put up a shed for some of the equipment and hopes to sell some. He owns 5.09 acres. He is able to put up 4000 sq. ft. building. The Board told him that he needs to come to the May planning commission meeting with plans for a building or plans to remove the containers.

Dakota Co Sherriff appeared. Discussed the flooding situation. Nothing else is going on at this time.

Mr. Bruly appeared about the container on his property. They had a sewer backup in their home and had to put there furniture into the containers from their basement. They plan to remove them within 60 days. The board told them 60 days would be ok, but if it's longer than that they need to come back to a meeting to discuss it with the board.
